Habits with structure

A layout that keeps your day clear.

Habitline brings clarity to your routines with clean cards, realistic progress tracking, and guidance that adapts to your day.

Flexible streak rules

Traditional habit trackers are too rigid. Miss one day and your 50-day streak is gone forever.

Smart daily planner

A simple view that shows only the habits that match your current time of day.

Habitline made my mornings feel manageable again.

Maya Zong
Student

I used to ignore reminders from other apps, but these feel calm and well-timed. It's like the app knows when I'm actually able to do something.

Ethan Miller
Gym Trainer

It's the first habit app that doesn't overwhelm me.

Hannah Lee
Content Writer

The weekly insights are what sold me. They show exactly where I fall off and help me adjust without feeling guilty or overwhelmed.

Daniel Perez
Software Engineer

Focus blocks changed the way I work. I get more done in two hours now than what used to take half a day.

Laura Kim
Product Designer

I actually stick to my routines now. Small steps finally add up
